

Milwaukee Office July 29, 2023, Reunion

By Mike Jury

A fun time was had this summer at the Milwaukee office reunion in Delafield, Wisconsin, which was attended by approximately 90 people. Everyone who

Mike Anglea

had worked at any time in the Milwaukee regional office and their spouses/partners

was invited. Most attendees were from the Milwaukee area; however, several came from around the country, including California, Colorado, Georgia, Illinois, Kentucky, North Carolina, and Oregon. Although most of the attendees were retirees, for instance Mike Anglea – original manager of the Milwaukee office and Great Lakes Region, several were alums who currently work for Jacobs and elsewhere. It was great to see so many familiar faces again.

Mike Jury and Max Schmiede got the idea for the MKE reunion after attending the CH2M HILL Alumni Reunion in Atlanta in Fall 2022. The clear take-away from that event was that local reunions are the future. Many thanks go out from Mike Jury to Mark Lepkowski and Heidi Sheldon for helping put together the reunion. An additional shout-out to Mark Lepkowski for starting and maintaining the once-a-month MKE CH2M HILL Oldtimers Breakfast. Any former CH2M HILL employee is invited – retired or not.
