2026 Legacy Gift Fund Project Grants Available!

Submit Application for Your Pay-it-Forward Project

Here's How

Project Grants totaling \$5,000 will be awarded in October 2026. Applications, sponsored by a subscribing member of the CH2M HILL Legacy Association (CHLA, formerly CHAA), will be received any time after May 1, 2026, until the September 30, 2026, deadline. Awards will be announced in October.

You can sponsor an application for a project performed any time in 2026, or one that would use the funds within 12 months of the award date. You can request a grant in any amount up to \$5,000. The amount awarded will be at the sole discretion of the LGF considering the evaluations of all applications and the number applications received. It is desirable, but not required, that the sponsor be involved in performing the project. The project must be broadly aligned with LGF Vision - ***“building a better world”***.

For additional submittal instructions and evaluation criteria details please download a ‘fillable PDF form’ copy of the full application using the link in the Action Table on the LGF Webpage >> [Apply for “Pay-it-Forward” Project Grant](#).
